

With cloudLibrary, you can listen to audiobooks on all devices. To listen to an audiobook, **search for and borrow an audiobook title.**

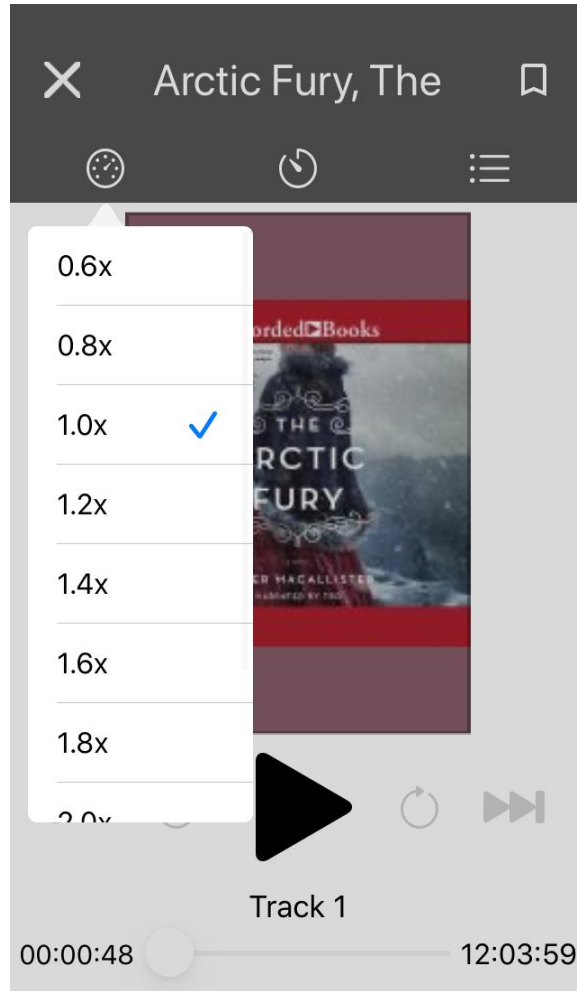

To start listening, **tap Listen.** Or if you're opening the audiobook at a later time, **tap the My Books tab** and then **tap Listen.**

The screenshot shows a mobile application interface for an audiobook. At the top, a teal header bar contains a white 'X' icon on the left, the text 'Book Details' in the center, and a white share icon on the right. Below the header is a book cover for 'THE ARCTIC FURY' by GREER MACALLISTER, narrated by EVA KAMINSKY. The cover features a person in a red parka in a snowy, arctic landscape. Below the cover, the title 'Arctic Fury, The' is displayed in a large, dark font. Underneath the title, the author's name 'Macallister, Greer' is shown in a teal font. Below the author's name, the recording information 'Recorded Books, 12/01/20' and '331.80 MB 12:04:47' is listed. The narrator's name 'Kaminsky, Eva' is also displayed in teal. A teal play button icon followed by the text 'Play Sample' is positioned below the narrator's name. A large, rounded teal button with the word 'Listen' in white is centered below the play sample button. At the bottom of the screen is a navigation bar with four icons: a house icon for 'Home', an open book icon for 'My Books', a magnifying glass icon for 'Search', and a person icon for 'Account'. The 'Search' icon and its corresponding label are highlighted in teal.

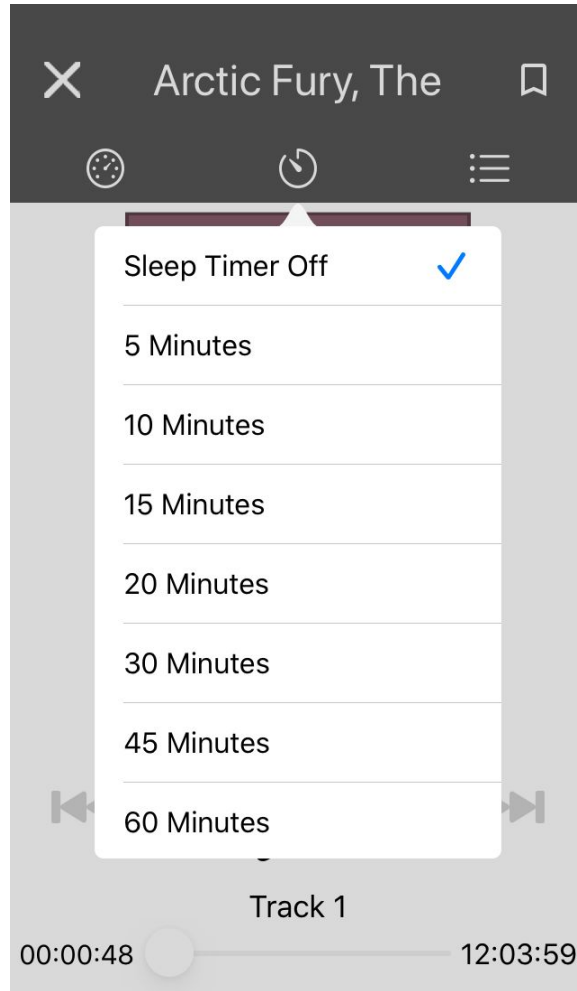

The audiobook interface will open. **Tap the Play button** to start the title.

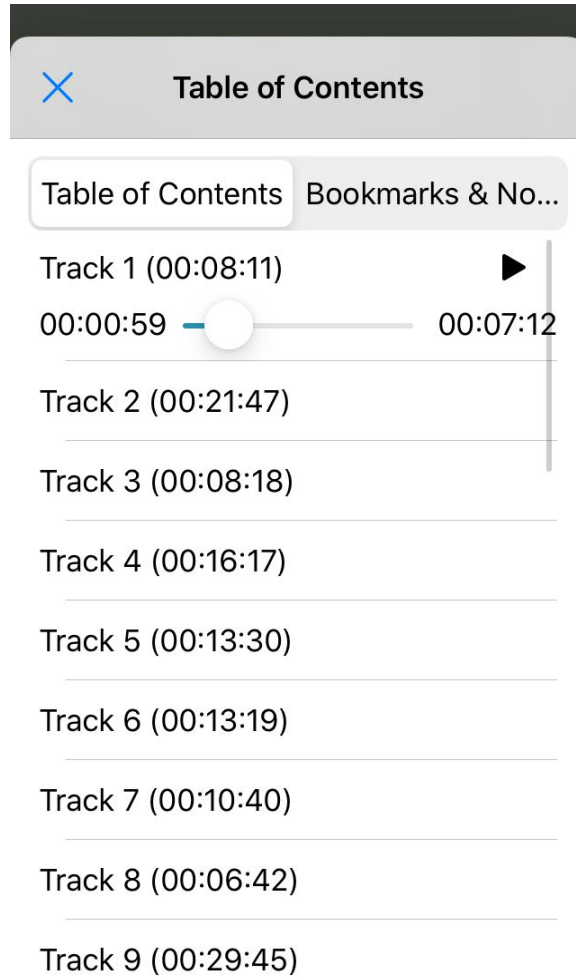

As the title plays, you can **tap the dial icon** to increase or decrease the narration speed,...

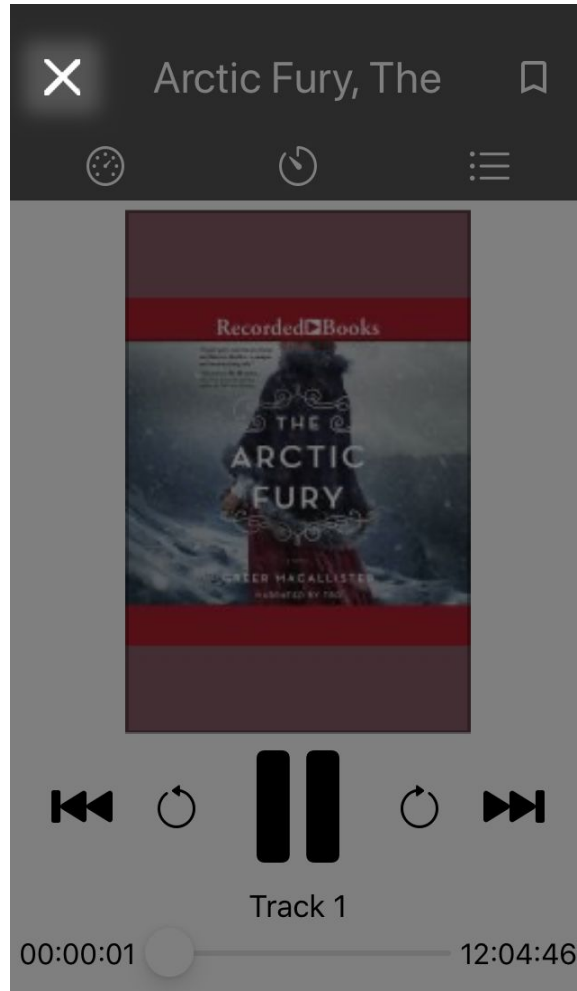

Tap the clock icon to set a sleep timer,...

And **tap the list icon** to see a table of contents.

When you're done, **tap the X** to close the audiobook player.

Enjoy listening to your favorite audiobooks with cloudLibrary!
